

The Palos Verdes Assembly

Individual Presentee Song Choice

Following the reading of the short profile, while the Presentee walks from the center stage to greet his/her parents, music will be played. We ask each Presentee to select a song for this moment. The list of songs in the accompanying list (titled John Durbin's Song List) is the list of songs the band can play. We ask that you choose your top five songs in order of preference. We will make every effort to accommodate your first request, but will also attempt to avoid duplicate songs.
