

MOTHERS OF PRESENTEES AND FEMALE GUESTS BALL ATTIRE

Mothers of Presentees

1. Gowns must be floor length - no more than 1" from the floor when shoes are worn. Hemming gowns shorter to provide a better dancing length will help prevent tripping.
2. Mothers of boys please **do not wear black**. Definition is lost in the video when mother and son are dressed in similar colors.
3. Mothers of boy Presentees must wear gloves. If the gown has short sleeves, please wear opera (22") gloves. If it is long sleeved, wear shorter gloves.
4. Gloves should be dyed to match your dress. White gloves are acceptable, but they do not look as elegant at the ball or in the pictures! 1 vendor that has been recommended is: Dina's by invitation only. www.bridalgloves.com. The owner is Dina Curasi, email: dbridal@optonline.net, Syosset, NY, 800-479-4696. If you have time, you can snip a piece from an inside seam of the dress you'll be wearing, send it and she will match it. They have all colors on the website. (2nd day shipping also available if you are really late in ordering.) Opera length colored satin gloves \$10-13.
5. **Mothers' gowns may not be white!**

Female Guests

1. Female guests are expected to wear formal length gowns.
2. **No white dresses for guests.** Only Presentees are to wear white gowns!
3. Younger girls, under the age of 10, may wear tea length dresses.

The Assembly Coordinators, Ball Chairs and Patronesses appreciate your cooperation and adherence to the Ball Attire guidelines. We look forward to seeing you at the Presentation Ball.
