

# The Palos Verdes Assembly

## Request for Presentation Ball Waltz Group

There will be two groups of girls and two groups of boys who will waltz with their mother or father following the presentation. This year we would like you to provide the names of up to four of your friends with whom you would like to be grouped. We can't make any promises that you will be paired with all of your friends, but every effort will be made in consideration of your request. Please use your roster for names of senior class members.
